

You are Invited...

to join the prestigious HERO Society in support of the John R. Elliott HERO Campaign for Designated Drivers® and its mission to prevent drunk driving by promoting the use of safe and sober designated drivers.

We Invite You to be a Charter Member... Please join the John R. Elliott HERO Society to continue the growth and development of the HERO Campaign for Designated Drivers®, which is saving lives across the nation in memory of our son John and all the victims of drunken driving.

We are encouraged by the growing support from every segment of our society; and from federal and state highway statistics that show we are helping reduce DUI fatalities and incidents.

We are also proud of our affiliation with The Richard Stockton College of New Jersey, the home of the HERO Campaign.

With your support, the HERO Campaign can continue to grow and achieve our ultimate goal to eliminate alcohol-related driving tragedies.

Thank you for your support,

Bill Muriel

Bill & Muriel Elliott, Founders of the John R. Elliott HERO Campaign for Designated Drivers®

Your Membership Will Save Lives...

Dedicated to the memory of Navy Ensign John R. Elliott, a merit graduate of the United States Naval Academy class of 2000, the HERO Campaign is now saving lives in seven states, in partnership with law enforcement, schools and colleges, federal and state highway safety organizations, the licensed beverage industry, and professional sports teams including the Philadelphia Phillies, the New York Football Giants, and the New England Patriots.

Since its inception in 2000, the HERO Campaign has grown into a major grassroots movement that has received the prestigious Public Safety Award by the National Highway Traffic Safety Administration .

Our life-saving mission is simple: To bring an end to drunk driving tragedies by dramatically increasing the use of safe and sober designated drivers throughout our country. Our goal is to register more than 100,000 designated drivers, and to make the use of designated drivers be as automatic as wearing a seatbelt.

Never before has an organization assembled a greater coalition of heroes than the HERO Campaign. In communities, at high schools and colleges, in professional sports stadiums and bars and taverns, the HERO Campaign is receiving enthusiastic support by those who believe – as we do – that the answer to drunken-driving is a safe ride home by a sober designated driver.

New York Football Giants tight end Bear Pascoe and New Jersey State Police help the Elliotts kickoff the HERO Campaign in ceremonies held in Bergen County, NJ.

The John R. Elliott HERO Campaign for Designated Drivers® has helped to reduce alcohol-related fatalities and incidents, including a 20 percent reduction in DUI fatalities in New Jersey and other states over the past decade.

From professional sports teams like the Philadelphia Phillies to colleges and universities such as Richard Stockton College – which celebrates an annual HERO Day – the HERO Campaign's partners promote the importance of safe and sober designated drivers.

How Your Support Helps...

Bill and Muriel Elliott present Robert Kraft, Chairman and owner of the New England Patriots, with a HERO Campaign award for registering an NFL-record 23,000 designated drivers at its "Be a HERO" booths at Gillette Stadium.

The purpose of the HERO Society is to provide annual funding for our important programs, which include:

- Designated driver registrations on-line, at school and community sponsored events, and entertainment and sports venues, including the New England Patriots, who register more than 20,000 designated drivers annually at Gillette Stadium through its partnership with the HERO Campaign.
- High School and College HERO presentations, clubs, and our popular HERO of the Year billboard program.
- Highway billboards, TV and radio commercials, car window decals and other campaign materials.
- Website and social media programs to build awareness and support in communities across the country.
- The HERO Bar and Tavern Program to promote the Campaign and serve free soft drinks to sober designated drivers.
- HERO Walks during 2013 & 2014 attracted more than 4,200 participants in Ocean City, New Jersey, Newark, Delaware, Foxborough, Massachusetts and Monmouth County, New Jersey.

College HERO of the Year Billboard Program

Colleges and universities select Designated Driver HEROES, such as this one from The Richard Stockton College of New Jersey, who are nominated by fellow students and represent the HERO Campaign's standards of character and ethics. These HEROES are honored on donated billboards near their campuses.

Benefits of Becoming a Charter Member of the John R. Elliott Hero Society...
